

SI Session Self-Assessment Form

SI Leader:
Course:
Number of Students in Attendance:

Observed by:
Date of Session:
Time of Session:

Goals for the Session:

1. What were your identified goals for the students attending this session? (HINT: Refer back to the “student learning objectives” section of your Session Planning Form)

2. Were your identified goals for this session **achieved**?
 - a. If so, how was the achievement of each goal **demonstrated**?
 - b. If a goal or goals were not achieved, what **factors** contributed to the goal(s) not being met?

SI Technique and Student Engagement:

3. Thinking about this session, what SI **facilitation technique** (Think: “wait time”, re-directing questions, etc.) did you **best** put into practice? Give an example of how you used the technique.

SI Session Self-Assessment Form

4. Did you experience a challenge in using SI facilitation techniques in this session? If so, what was that challenge?

5. Thinking about this session, what SI **learning strategy and/or activity** displayed the most success in helping students learn and engage (with the material, with one another)? Explain your perspective on what made that learning strategy and/or activity a success in this session.

6. Did you experience a challenge using SI learning strategies and/or activities in this session? If so, what was that challenge?

7. Thinking about any challenges (from Questions 4 and 6) experienced in this session, how did you **address** the challenge(s)?

SI Session Self-Assessment Form

Time and Session Management:

8. Describe your usage of time management and session management skills (ex. addressing distractions in the room, keeping students “on task”) in this session. (NOTE: Refer back to the Section 2 of your session planning form to see time allotted for each session activity.)
- a. What successes and/or challenges did you experience with time and session management?

Session Summary Assessment:

9. In your opinion, what were the most successful aspects of this session? What did you do that contributed to those successes? Please give specific descriptions and/or examples.

10. If you could rewind and conduct this session again, what would you do differently? Please be specific.

11. Thinking about this session, what is an area of personal and/or professional growth you want to work on moving forward? Be ready to talk with your Observer about this in your meeting.
